Common Capital's Fast Track Loans

Common Capital offers a Fast Track Loan Program to address the needs of local businesses that need quick access to capital. This is an alternative to high interest rate credit cards and deceptively-priced and expensive on-line lenders. Loan proceeds may be used for most legitimate business purposes, including purchasing inventory or equipment, and for working capital.

The Fast Track Program offers a loan decision in two to three business days for loan requests **up to \$50,000**, with funding typically within a week after approval. It is a credit score-based program for businesses in operation at least one year. If approved, you will be eligible for no-cost business assistance from Common Capital staff and consultants.

- INTEREST RATE:** Between 8.25% and 11.0%, fixed at time of approval for the term of the loan. (Published rates subject to change without notice.) Closing fee: 2.0% of loan amt.
- LOAN DECISION:** Typically in 2 – 3 business days; funding in 5 - 7 business days after approval
- LOAN TERM:** 6 to 72 months. May include an initial period of interest-only or deferred payments.
- PAYMENT TERMS:** Monthly payments required; payments may be customized to your unique situation
- ELIGIBILITY:** Existing businesses only; nonprofit organizations and businesses operating for less than a year are not eligible
